

## Stage 2 construction right on track

Services at the old hospital were relocated into the new facility on 18 April, with contractors Decmil Pty Ltd moving swiftly to commence demolition.

With the old hospital gone, work has commenced on building Stage 2 which comprises the mortuary, meeting room, kitchen and laundry facilities, as well as staff amenities.

*The old hospital has been demolished to pave the way for Stage 2.*

## Hospital's new phone number

The relocation of Bonalbo Hospital to the new facility in April resulted in a new phone number.

To contact Bonalbo MPS, including to make a GP appointment, please now phone 6665 4100.

The Project has developed the enclosed fridge magnet 222. to assist residents in contacting the

new facility.

The fridge magnet also contains the number for Health Direct, a NSW Government-funded service that provides 24-hour quality, approved health information.

To contact Health Direct phone 1800 022

**REMINDER:** The speed limit within the hospital and nursing home grounds is 10kph.
