Inpatient, Emergency Department and
Community Health areas at Tumbarumba MPS.**

When: Wednesday, 30 October 2019

Time: 11am — 1pm

Where: Tumbarumba MPS, Mitchell St

NEED TO KNOW MORE ABOUT MOVE DAY?

- ⇒ Administration, Community Health, Emergency Department and Inpatient areas will move into the new MPS on Tuesday 5 November 2019.
- ⇒ This will be a busy day at the Tumbarumba MPS.
- ⇒ There will be no X-ray service.
- ⇒ Unless it is an emergency, please schedule your visit for another day.
- ⇒ Additional staff will be available to assist with the move.
- ⇒ The community is advised to follow signage to the new entrance.

On 5 November until midday, access to Administration, Community Health, Emergency Department and Inpatients areas will be via the current temporary entrance on Mitchell St.

After midday, the MPS will operate from the new main entrance on Mitchell St. See staff at the new reception.

RADIOLOGY

Radiology services recommence on Tuesday 12 November 2019. To make an appointment call Reception on 6948 9600.

REDEVELOPMENT UPDATE

- The move into the new facility on 5 November marks a major milestone.
- Next steps include refurbishment of the existing Residential Aged Care, completion of landscaping and the new main entrance access road and car parking.
- Residents settled into their new accommodation after their move in July.
