

Expression of Interest Seeking Local Cobar and District Artists

Western NSW Local Health District is pleased to invite local artists to submit a portfolio (or examples) of their work or ideas to be considered for Cobar MPS's Artwork as part of the redevelopment.

Featuring local artwork in the hospital is an opportunity both for the artist to showcase their work, and to be a part of building the strong connections between our hospital and our community.

The proposed artwork could include paintings, photos or drawings – all mediums considered. Themes might incorporate mining, sheep/ agriculture, people, local buildings, and local people. Local important landscapes could also be a feature.

Submissions must be received either by e-mail to fiona.ostini@health.nsw.gov.au or in a physical portfolio to delivered to the Cobar hospital front office by 4.30pm Wednesday the 31st July 2019.

For further information please contact;
