Your new hospital is open

Completed ahead of schedule, the new Wilson Memorial Hospital opened to the public in November 2020.

While the completion of the new hospital marks a major milestone in the redevelopment project, further works are continuing onsite.

The finishing works include demolishing the old hospital buildings, and constructing the new permanent staff accommodation building and associated car parking, Emergency and service vehicle access roads, car parking, and landscaping of outdoor spaces.

When complete the landscaping will include an outdoor courtyard, historical installations and recreation spaces.

Local photography is in the process of being installed in the patient corridors, as well as artwork at the main entry to welcome all who enter the new hospital.

We appreciate your patience and understanding during this busy yet exciting time for the Wilson Memorial Hospital, and look forward to your feedback on the new facility.

What's included in your new hospital?

- An 8-bed inpatient unit consisting of 4 single rooms and private ensuites and one 4-bed flexible ward, all with views of the Murrurundi ranges
- Multiple rooms to provide Emergency services, Primary and Ambulatory care services, and Allied Health services
- A flexible layout and rooms that can be used for different purposes including visiting specialists
- All existing services will be provided out of the new hospital including palliative care, meals for patients and Meals on Wheels
- Artwork designed specifically for Murrurundi with community involvement
- Sustainable design including rooftop solar panels and water saving measures
- Outdoor courtyard and landscaped areas to provide therapeutic benefits for patients, visitors and staff
- Staff and visitor car parking on-site
- Staff accommodation in a safe and secure purpose-built facility
- The new Wilson Memorial Hospital will continue to operate as a hospital, and will retain its name to acknowledge the historical connection with the Wilson family

Thank you

The redevelopment project team would like to thank the Wilson Memorial Hospital staff and the Murrurundi community for working with us to keep the project going and ensure the safety and wellbeing of our people, workers and communities. Together we are supporting the NSW economy, construction and health industries and the many people employed across our sites during this time.
