

Expression of Interest Seeking Local Lightning Ridge and District Artists

Western NSW Local Health District is pleased to invite local artists to submit a portfolio (or examples) of their work or ideas to be considered for Lightning Ridge MPS's Artwork as part of the redevelopment.

Featuring local artwork in the Lightning Ridge MPS's is an opportunity both for the artist to showcase their work, and to be a part of building connections with our community.

The proposed artwork would include:

- One painting large painting for the Opal room transition area within the new building. The theme would be relevant to the local community.
- Five photos to be printed in a large size. These photos to be representative of the Lightning Ridge and surrounding district community.
- Murals are being developed for the staff accommodation buildings in conjunction with the Lightning Ridge Central School.

Submissions must be received either by e-mail to fiona.ostini@health.nsw.gov.au or in a physical portfolio to delivered to the Lightning Ridge MPS Reception by 4.30pm Monday 6th July, 2020.
